

# Tombridge Crescent Newsletter

March 2021

Welcome to the fifth edition of the Tombridge Crescent Newsletter

## Environmental Information

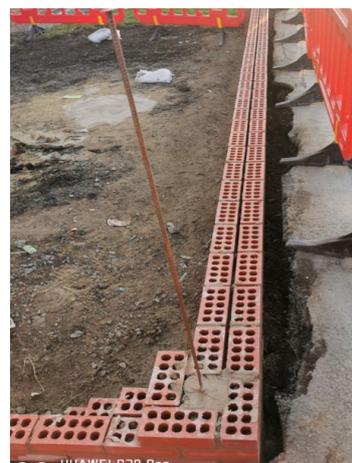

We have made a very positive start on site enclosing the rear gardens to properties which are at the start of the project with concrete posts, gravel boards and timber panels. Tenants and residents who have benefitted from this work are pleased with the work that has been carried out and how this has made their rear garden a more private and secure place to enjoy. Work has also started on installing the new front boundary walls and the fencing team have been joined by a team of bricklayers. There is a lot of work still to complete and we will be on site throughout the year.

Unfortunately we have experienced some attempted material thefts from site. If anyone has any information that would help us identify those responsible please contact WDH on 0344 902 1989 and speak to Mandy Hipkin or West Yorkshire Police on 101 in confidence. Alternatively you can report any information to West Yorkshire Police online at [westyorkshire.police.uk/report-it](https://westyorkshire.police.uk/report-it)

If you have any questions about the work we are doing, please contact Darren Davis on **07876 478199** or email: [darrendavies@wdh.co.uk](mailto:darrendavies@wdh.co.uk)

**David Ainsworth**  
Project Manager

**Darren Davies**  
Team Leader

**Thomas Davis**  
Senior Project Officer

**David Hobbs**  
Site Manager

### Need help?

If you find it difficult to pay your rent or fall behind with payments contact the Cash Wise team on **01977 724651** for advice.

# Get Ready for Easter! Easter Nests

## Ingredients

200g chocolate – broken into pieces  
85g shredded wheat - crushed  
Chocolate mini eggs  
Cupcake cases

1. Melt the chocolate in a small bowl placed over a pan of barely simmering water. Pour the chocolate over the shredded wheat and stir well to combine.
2. Spoon the chocolate wheat into 12 cupcake cases and press the back of a teaspoon in the centre to create a nest shape. Place 3 mini chocolate eggs on top of each nest.
3. Chill the nests in the fridge for two hours until set.

## Are your energy bills costing you more than they should? Switching your tariff can save you £££s!

WDH are helping tenants and residents to find a better energy deal.

You can arrange an appointment with a Sustainability Officer to see if you can save money on your energy bills and for advice and support to switch either by emailing [sustainabilityteam@wdh.co.uk](mailto:sustainabilityteam@wdh.co.uk) or by phoning OneCALL on **0345 8 507 507**.

### Save money this Winter by saving energy

- Don't leave electrical items, like the TV and DVD player on standby. Switch them off as items on standby will use 85% of the energy they would use if left on. Turning appliances off instead of leaving them on standby could save you £50 a year.
- Turn off any electrical chargers once your appliance is at full power, such as a laptop or mobile phone. Most phones and laptops only need two or three hours to charge. Charging overnight wastes £50 a year.
- Only boil as much water in a kettle as you need, doing this can save you £14 a year.

## Turning Point

We all have mental health just as we have physical health and considering how much time we have had to spend at work or at home, it's not surprising that these environments and cultures can affect our wellbeing. Now more than ever – it is so important to be looking after your wellbeing and mental health.

We are still open! We are still accepting referrals and currently offering free 90 minute wellbeing workshops for you to come along and have an introduction to a number of areas or conditions you may be experiencing. For more information and to sign up - visit our website.

If you are 16 and over, and registered with a Wakefield District GP – we can help.

## Please pick up after your dog

Dog poo affects everyone, whether you're a dog owner or not.

It's unpleasant to see it in parks, on the pavement, and especially on your shoe!

Most dog owners are responsible and pick up after their dog, but there are a few that fail to pick it up and give dogs and their owners a bad reputation!

Remember to always carry a bag when you walk your dog, this can be placed in **any** public litter bin.

**The Tombridge newsletter will now be issued on a bi-monthly basis – look out for the next edition in May.**

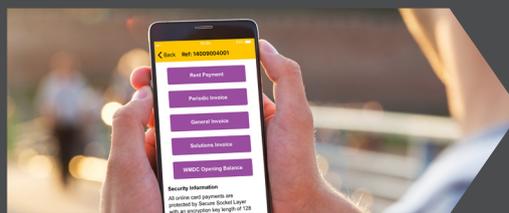

Visit <https://www.wdh.co.uk/News/> and click on Tombridge and Kinsley in the tag cloud for updates on what's happening in your area!
