

Be Energy Wise once you've moved in

Use our Energy Checklist

1 Record your Start Meter Readings

Dual Fuel

Electricity (kWh Total)	Gas (m3 or ft3)

Electric Only (Economy 7)

Rate 1 kWh	Rate 2 kWh	Total kWh

If you have a pre-payment meter, put the key card in to check there is no debt from the previous tenant

2 Set up your energy account

- If you have given consent for Utility Renewals to contact you, they will ring you to set up an account for you.
- If you have **not** given consent for Utility Renewals to contact you, contact the energy supplier to your property to set up your account.

Energy Type	Supplier	Account Number	Tariff Name
Electricity			
Gas			

Don't know who your supplier is?

Electric	Call the Meter Point Administration Service on 0800 111 4005 or visit www.northernpowergrid.com
Gas	Call the Meter Point Reference Line on 0870 608 1524 or visit www.findmysupplier.energy

3 Check your heating controls

If you are not sure how to use your heating controls go to our website, www.wdh.co.uk for information and guides to download or call into any service access point.

4 Is there a cheaper tariff?

If you are on a standard tariff or when your fixed tariff ends, see if you can save money by switching tariff or supplier using our Switch & Save service.
