Notes to assist in completing the form

Please make sure that you answer all the questions on the form and provide any supporting evidence requested.
Section 1  Contact Information

Please provide the contact information requested, including details of the main contact for the grant application. This will help us in making sure that you are kept up to date with the progress of your application.

In order to be eligible for a grant you must be a tenant or be living in a WDH home and you will be required to provide two forms of identification as proof of your current address.

Section 2  Tell us what the funds are needed for

In completing this section please provide a detailed explanation of what you intend to use the grant for. It is important for the Foundation Panel to have as much information as possible to allow them to assess whether your application meets the criteria and demonstrates value for money.

Please read the information provided in the ‘About the Grant’ booklet on the assessment criteria and wherever possible please try to explain why you think your application meets the requirements of the scheme. Consider how the course or project demonstrates value for money, how it will help you in the future and what you hope to achieve after completion of the course / project.

Section 3  Costs

Please provide details of the grant amount you are applying for, together with an itemised list of how you want the grant to be spent.

If the grant application will not cover the total cost of the proposal, please advise us of the overall cost and provide details of any other grants received or applications made and the items they relate to.

Please note you will not be eligible to apply to the Foundation Grant Scheme for any course or items for which you have already received a grant for, or where you have made an application for funding previously and are awaiting a decision.

If your application is successful, payment will be raised to pay the third party supplier, therefore it is important that you provide their full contact details.
