Leaseholder Home Improvements - Fee Structure

Preserved Right to Buy / Right to Buy / Right to Acquire and Shared Ownership

There is a standard administration charge of £33.33 inc VAT which is payable in advance for processing all applications for home improvements.

This payment can be made by:

- cheque made payable to Wakefield and District Housing Limited and returned with your application form to the WDH Survey team, Merefield House, Whistler Drive, Castleford WF10 5HX; or
- using your credit or debit card, by phoning OneCALL on 0345 8 507 507, or over the counter at one of HUB, identifying the payment as 'administration charge for home improvement application'.

The large majority of applications will only incur the cost of the standard administration charge. However, there are certain circumstances where additional costs may be incurred in order to cover the specialist services required to process your application. These will generally apply to leaseholders who have purchased a flat under the right to buy, preserved right to buy or right to acquire schemes. Examples of this would be:

- extensive work within the individual apartment / flat, which would affect the lease agreement; or
- improvements, which will reduce the current service charges (that is, replacing wood or metal windows to UPVC).

If your application does fall into one of these categories, WDH will tell you how much the costs will be, so you can make a decision as to whether you wish to go ahead with the application. The costs will need to be paid first before any legal work and adjustments are made or written permission granted to carry out the improvements you are proposing.

If unauthorised work has already been carried out permission will need to be applied for retrospectively, this will apply to all leasehold schemes including shared ownership.
